Re: NASA's FOIA Tracking Number 24-01462-F-HQ

Dear Mr. Greenewald:

This is in response to your Freedom of Information Act (FOIA) request to the National Aeronautics and Space Administration (NASA), dated September 22, 2024, and received in this office on September 23, 2024. Your request was for:

I respectfully request a copy of records (which includes videos/photos), electronic or otherwise, of all briefings about the James Webb telescope and program, made for Congress. I ask that you include all CLASSIFIED and UNCLASSIFIED briefings on the James Webb telescope program, or briefings on finds made by that program.

I agree to limit the scope of search to records dated 2021 through to the date of processing this request.

In response to your request, we conducted searches of the NASA's Offices of Legislative and Intergovernmental Affairs and Science Mission Directorate using the search terms Congress, Congressional, JWST, James Webb, Webb, HPSCI. Those searches located no records responsive to your request.

Appeal

You have the right to appeal my action regarding your request. Your appeal must be received within 90 days of the date of this response. Please send your appeal to:

Administrator
NASA Headquarters
